3.5 MIKROS retains title to all Works until all outstanding sums pursuant to clause 3 have been paid in full.

3.6. Payment of all amounts shall only be made in the currency in which they are invoiced and shall not be subject to any deductions or charges whatsoever.

3.7. In the event of default in payment by the Client under this Agreement, MIKROS shall be entitled, without prejudice to any of its other rights or remedies, to suspend any further performance of the Services without notice and to charge (i) a recovery of sums penalty of a minimum of forty euros (40€) and (ii) over the overdue sums an interest calculated at the rate applied by the European Central Bank to its most recent main refinancing plus ten (10) percentage points from the due date of payment to the actual date of payment. 4.2. Notwithstanding that MIKROS and the Client may have agreed that time is of the essence in respect of specified Services or Works, the time for performance of the Services or delivery of the Works shall in every case be dependent upon prompt receipt of all necessary information, materials (including Client Materials), final instructions and/or approvals from the Client. The Client acknowledges and agrees that any changes to its requirements and/or the occurrence of any of the circumstances in clause 3.2 or this clause 4.2 may result in delay in performance or delivery, for which MIKROS shall not be liable.

4.3. Where the Works are to be delivered electronically, the Client acknowledges and agrees that:

4.3.1. electronic delivery is not a completely secure medium of communication and that an unauthorised third party may intercept, tamper with or delete the Works to be delivered electronically; and

To the extent required, the parties may agree on terms for the licence of MIKROS Intellectual Property (or any part of it) incorporated into the Works, to enable the Client to receive the benefit of the Works.

5.5. The Client hereby grants to MIKROS a perpetual, non-exclusive, transferable, sub-licensable, royalty-free licence to use the Client Materials to the extent necessary for MIKROS and/or its suppliers to provide the Services and the Works.

6. CONFIDENTIALITY

The parties hereto acknowledge that they may receive from the other **Confidential Information**, in the process of producing the Services. 7.3. Notwithstanding clause 7.2 and without prejudice to any other rights or remedies available to MIKROS, the Client may give MIKROS written notice of cancellation of this Agreement (and any Services to be provided thereunder), provided that where such notice is received by MIKROS:

In the absence of a request for restitution of the elements and/or agreement with MIKROS on storage or conservation services at the end of services carried out by MIKROS, MIKROS will be discharged from any responsibility regarding the conservation of the Client's elements (including the Works), the Client giving up any recourse against MIKROS in that respect, including in case of the elements' (including the Works') obsolescence due to the absence of migration, absence of interoperability, or in case of loss, damage, partial or total destruction of the elements for any reason whatsoever. Any request for material to be returned should be accompanied by an authorization from the rights holders or a proof of ownership of the tangible or intangible rights over the elements to be returned, should the applicant not be the depositor.

10.4. Where Client Materials are supplied or specific instructions are given by the Client, MIKROS accepts no liability for any reduction in the quality of the Services caused by defects or errors in or the unsuitability of such Client Materials or by MIKROS's use of the Client Materials or adherence to any of the Client's specific instructions.
